2020 NATURE CAMP BEHAVIOR GUIDELINES

In order to ensure a safe environment for your child, we ask that they follow this code of conduct throughout the week of camp. We will explain these guidelines on the first day of camp, and afterward as needed. We would like you to be familiar with our policies as well to help prepare your child for a happy week of camp!

Code of Conduct

All campers are expected to:

1. Have a positive attitude.
2. Show respect for staff, adult & teen volunteers, fellow campers, and other park visitors.
3. Show respect for the natural world by not littering, by leaving plants, animals, minerals, etc. in the park unless given special permission to collect.
4. Use good manners.
5. Practice "safety first."

Be an active participant in all the activities each day.

No Electronics or Weapons

In this digital age, our nature camps give a welcome respite from the addictive nature of "screens." Leave electronics of any kind at home. If they do make it camp, we will keep them for the parents to pick up. No weapons of any kind are allowed. Thank you.

Discipline

In the unlikely event that any disciplinary action is taken, staff will ensure that all participants understand the rules. Staff will attempt to deter any inappropriate behavior when possible. If necessary, staff will then proceed with the following steps:

1. First offense: verbal warning #1
2. Second offense: Verbal warning #2
3. Third offense: Time out from activity and talk with staff member

Fourth offense: Parent is called to pick up the camper. Parent/staff conference is required for the camper to return.

First Aid and Medications

We have First Aid kits in the Nature Center and we carry kits with us when out in the park. If at any time your child is injured, our staff will administer first aid. If necessary, staff will call you. We are not able to administer any medications to children without written permission, including time and dosage to be given. Please be sure that we have a current health form for each child attending the program. Please give detailed info on any *special needs* prior to the first day of camp.

Drop Off and Pick Up

Campers must be signed in at the beginning and out at the end of each day. We will release your child only to the authorized persons listed on their health form. If you need to have someone pick up your child who is NOT on the form, please notify us in writing. **Prompt pick up at Noon (for Fox Run Camp) or 3:00 pm (for Fountain Creek Camps) is expected. Late pick up charges will be assessed at \$15/half hour beginning at 3:15 pm or 12:15 pm (15 minute grace period).**

Thanks for your participation and cooperation!

We welcome any comments or suggestions.
