

2022 Teen Volunteer Program

Dear Prospective Teen Volunteer,

Thank you for your interest in our Teen Volunteer Program. Your commitment to volunteering contributes to the success of programs at the nature center and touches the lives of many people throughout the Pikes Peak Region. I hope that you will also benefit from the learning that takes place through the **application and interview** process as well as having an enjoyable and productive experience contributing to your community and the environment.

Attached is a copy of the Teen Volunteer Application form. There are several options to choose from. Please look at the volunteer descriptions and select those you are interested in. Most of the opportunities have specific commitments (i.e. a week-long nature camp, 8:30 a.m. – 3:30 p.m.). Some of the volunteer positions work directly with staff, while on others you may be required to work on your own or with another volunteer.

Nature Camp Aide - This position will:

- **Have required training for new applicants on Thursday, June 2, 6-8 p.m.** (You may skip training only with previous approval by nature center supervisor)
- Learn nature connection, safety skills, equipment location, recording volunteer hours, guidelines for behavior, leading games, and a general overview of nature camps.

Please complete and **return your application to Fountain Creek Nature Center by May 14, 2022**. Some options have limited positions available and will fill up quickly so send in your application early. I will set up an interview with you to determine where your skills and abilities best fit our needs. You may use this volunteer experience to fulfill community service hours for school and honor societies.

If you have any questions or need an extra application for a friend or family member, please call me at 719-520-6765 or e-mail to JessicaMiller@elpasoco.com.

We hope that you will enjoy volunteering at Fountain Creek Nature Center.

Best,

Jessica Miller
