

## **COVID-19: SOCIAL DISTANCING IN PUBLIC PARKS AND TRAILS**

During this COVID 19 (coronavirus) outbreak, we understand citizens may have questions about visiting public parks. The County's parks, trails, and open spaces remain open for use in a safe manner through social distancing. Indoor Facilities are closed to public access:

Please follow the guidelines when visiting a county park:

- Refrain from using parks or trails if you are exhibiting [symptoms](#).
- Follow [CDC's guidance](#) on personal hygiene prior to and during use of parks or trails.
- Public restrooms are CLOSED. Please Be Prepared.
- All gatherings are not allowed per the [Governor's order](#) which took effect March 25, 2020.
- Always maintain proper physical distance - minimum recommended physical distancing six (6) feet from other individuals.
- If physical distancing is not possible, users should find an alternative location or depart the space.
- While on trails, warn other users of your presence as you pass, and step aside to let others pass.

Our outdoor spaces have always served as places where people can find respite and seek peace and restoration. We are working hard to maintain these spaces and keep them safe, accessible and benefiting our community during these challenging times.

Please do your part to use parks, trails, and open spaces that respects each other and public health guideline.

# COVID-19: SOCIAL DISTANCING IN PUBLIC PARKS AND TRAILS

Do not use parks or trails if you are exhibiting symptoms.

Be prepared for limited access to public restrooms or water fountains.

Share the trail and warn other trail users of your presence and as you pass.

Follow CDC's guidance on personal hygiene prior to visiting parks or trails.

Observe CDC's minimum recommended social distancing of 6' from other persons at all times.
