**El Paso County Household Hazardous Waste Facility
3255 Akers Dr. Colorado Springs, CO 80922**

APPOINTMENT REQUIRED TO DROP OFF ANY ITEMS

Make an appointment online at elpasoco.com
(Search 'Household Hazardous Waste' or 'Recycling')
Or call **719-520-7878** or **719-520-7879**

Hazardous Waste and Single Stream Recycling are two separate programs and will require separate appointments.

**This service is free to all El Paso & Teller County household residents ONLY
(proof of residency is required)**

All other Colorado county residents must utilize other services in this directory OR visit the Colorado Dept. of Health & Environment's list of hazardous waste disposal programs to find a site nearest you:

<https://www.colorado.gov/pacific/cdphe/household-hazardous-waste-collection-programs>

This Recycling Directory is informational only

- It is designed to assist residents in locating businesses that recycle materials and products.
- It does not claim to be an all-inclusive list of available options.
- It is not meant to be exclusive or exclusionary in any way.
- It does not vouch for the capabilities, trustworthiness, or performance of any individual or business listed.
- It is strongly recommended to contact businesses, *including the El Paso County Hazardous Waste Facility*, before utilizing services, as policies may change.
- All area codes are **719** unless otherwise noted.

HOUSEHOLD HAZARDOUS WASTE

Many products used in the home, garden, garage, and hobby shop contain hazardous chemicals that can potentially harm the user or the environment.

Items marked as follows should be considered hazardous:

- “caution”
- “causes severe burns on contact”
- “danger”
- “do not use near heat or flame”
- “eye and skin irritant”
- “flammable”
- “harmful or fatal if swallowed”
- “hazardous”
- “keep out of reach of children”
- “poison”
- “use in a well-ventilated area”
- “vapor harmful”

Become a label reader
Look for signal words on labels and choose the least hazardous product.

	Signal words	Hazard level
Less hazardous	Caution	mild/moderate hazard
↑	Warning	moderate hazard
	Danger	extremely flammable, corrosive or highly toxic
	More hazardous	Poison

Source: Minnesota Pollution Control Agency

Use safety precautions when using, storing, or disposing of any hazardous products. When discarded, they become household hazardous waste requiring proper disposal.

Tips for Becoming an Environmentally Aware Consumer

If you buy household chemicals,

- Buy the smallest amount possible – you can always buy more.
- Read the label and use only as directed.
- Keep products in their original, labeled containers.
- Share leftover products with friends, neighbors, and others who can properly use the product.
- Use them up!

CHEMICALS

Paint, Stains, Solvents, etc.

Latex, oil-based, aerosol, and hobby paints; stains, strippers, solvents, thinners, lacquers, varnishes, etc.

Lawn & Garden: Lawn and houseplant fertilizers, herbicides, insecticides, rodent poisons, wood preservatives, etc.

NOTE: Waste must be in labeled, non-leaking containers that can be left onsite.

Household: Aerosols, ammonia, batteries (household only. No corrosion/leaking. Must come in clear resealable bag no larger than 1 gal), bleach, cooking/lamp oils, cleaners (carpet, drain, oven, toilet), fire extinguishers, fireworks, fluorescent tubes, furniture polish/wax, mace, mercury, nail polish & remover, perfume, pepper spray, propane tanks (1-lb & 20-lb), salt spray, smoke alarms, etc.

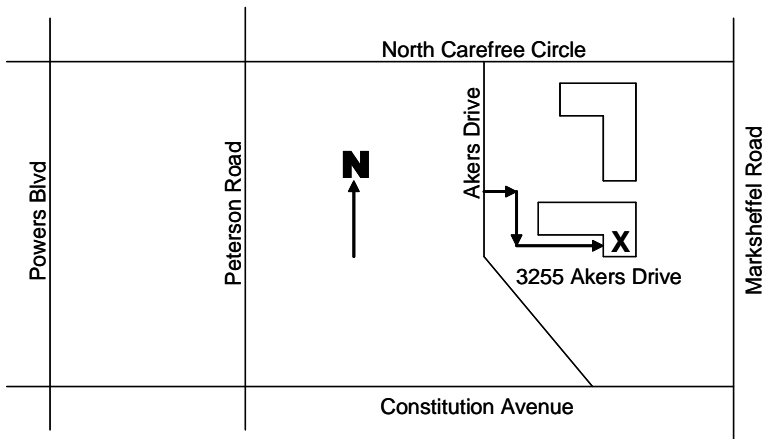

Automotive: (*No tires – see page 29*) Antifreeze*, Auto batteries, brake/transmission fluid*, cleaners (bug/tar, chrome, engine, vinyl, fuels, wax, etc.), fuels, motor oil*, oil filters. *Each marked item is limited to 10 gal. per household per month. Containers must be no larger than 5 gal and must be left onsite.

ELECTRONICS

TVs (*CRTs must be 20" or smaller; flat screens 40" or smaller*), central processing units [CPUs], computer monitors, keyboards and mice, printers, fax machines, laptops, notebooks, ultra-books, net books, electronic tablets, DVD players, VCRs, radios, stereos, video game consoles, video display devices with viewing screens greater than four inches diagonally.

MEDICAL SHARPS Must be in a certified red medical sharps container **no more than 2.2 quarts large** (can be purchased from a pharmacy). No more than two containers per household per month.

PORCELAIN (sinks, toilets, ceramic tiles, & granite/marble countertops). **Must remove** toilet seat, flushing mechanism, faucets, adhesives, etc. **Items must be unloaded into 4-foot dumpster without staff assistance.** (The County is partnering with Colorado Springs Utilities to recycle crushed porcelain for use in local roads.)

To ensure safety of HHWF staff and to protect the personal property of customers, the staff will not enter your vehicle. All individuals bringing household hazardous waste will be required to remove each item from their vehicle and place them onto a cart provided by staff. Please ensure that someone in the vehicle is able to accomplish this.
